

ACCOUNTING BBA

Requirements

General Education & BBA Core — 79-80 hours

See the [Business Administration BBA section](#) for more details.

Concentration — 33 hours

ACT 3110	Intermediate Accounting I	3
ACT 3120	Intermediate Accounting II	3
ACT 3130	Intermediate Accounting III	3
ACT 3310	Cost Accounting	3
ACT 3400	Accounting Information Systems	3
ACT 4100	Tax Accounting	3
ACT 4200	Advanced Accounting	3
ACT 4400	Auditing Concepts, Principles, and Procedures	3
ACT 4500	Internal Auditing	3
BUS 4050	Business Law II	3
ITI 2020	Computer Applications Using Spreadsheets and Databases	3

General Electives to total 120 — 7 or 8 hours

The required course INT 1100 Life Calling and Purpose (3 hours) is included in these general elective hours for those students

who enter as first-time Freshmen (those enrolling with less than 24 hours).

Total Credit Hours: 120

Note: A minor field of study is not required for any BBA degree.

APPLIED PHYSICS BS

Requirements

General Education — 42 or 43 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Exceptions: The Laboratory Science and Mathematics components of the General Education curriculum are fulfilled by required major and support courses. Issues in Science is waived in lieu of upper division physics courses. With prior approval, equivalent general education courses completed during the first year at Vanderbilt may be used to satisfy general education requirements in the 3-2 engineering program.

Major — 36-37 hours

PHY 2110	General Physics I	4
PHY 2120	General Physics II	4
CHE 1040	General Chemistry I	4
CHE 1050	General Chemistry II	4
PHY 2100	Object-Oriented Design and Programming in Java I	3
PHY 4335/BIO 4335/CHE 4335	Seminar in Physics	1
PHY 3130	Circuits	4
	or	
PHY 2030	Digital Electronics	4
PHY 2130	Statics	3
	or	
PHY	Physics elective (3000 level or above)	

Option 1 Physics Concentration

One of the following (1)

PHY 4330	Special Projects in Physics	1-3
PHY 4340	Research Projects in Physics	1-3
PHY 4510	Career Internship in Physics	1-3

Choose two (2) of the following not chosen for major elective above — 8 hours

PHY 3300	Intermediate Mechanics	4
PHY 3200	Intermediate Electricity and Magnetism	4
PHY 4010/CHE 4010	Thermodynamics	4
PHY 4020/CHE 4020	Modern Physics	4
PHY 4400	Quantum Mechanics	4

Option 2 Pre-Engineering Concentration

	9 credits of Engineering courses at Vanderbilt University at a 200 level or above or 9 credits of engineering courses at an equivalent level in an accredited engineering program	9
--	---	---

Required Support Courses — 19 hours

SCI 1050	Science Philosophy and Practice	1
SCI 2150	Introduction to Computer Technology for the Sciences	3
MAT 1510	Calculus I	4
MAT 1520	Calculus II	4
MAT 2510	Calculus III	4
MAT 3020	Differential Equations	3

Additional Support Courses may be required to support the specific engineering discipline chosen in the 3-2 engineering program.

Mathematics Minor — 18 hours

15 of the 18 hours will be completed as part of the support course requirements.

Additional Minor and/or General Electives — 18-20 hours

*In the 3-2 Engineering Program, at least 99 hours must be completed before transfer to Vanderbilt University.

Total Credit Hours: 120

NOTE: In the 3-2 Engineering Program, at least 99 hours must be completed before transfer to Vanderbilt University.

AU SABLE INSTITUTE OF ENVIRONMENTAL STUDIES

Trevecca is a participating university with Au Sable Institute of Environmental Studies. Through this affiliation students may enroll in courses at the Institute, and the credits will be transferred to Trevecca. Sustainable global development is emphasized in all courses. Biology courses can fulfill biology electives for the biology major and for the biology minor. Twelve hours from Au Sable are required for the environmental science minor.

Au Sable offers courses in the Great Lakes and the Florida Everglades. The courses listed below are typically offered during January, May, Summer I, and Summer II sessions. Consult the Au Sable Institute catalog at www.AuSable.org for a complete schedule of courses and additional information.

JANUARY SESSION--INDIA

Ecology of Indian Tropics Biol 427 (4 hrs.)

MAY SESSION -- GREAT LAKES

Field Biology in Spring Biol 361 (4 hrs.)

Field Ecology of Birds 305 (4 hrs.)

MAY SESSION -- COSTA RICA

Tropical Agriculture and Missions Biol/Agric/Geog 343 (4 hrs.)

SUMMER SESSION I -- GREAT LAKES

Aquatic Biology Biol 322 (4 hrs.)

Conservation Biology Biol/Geog 471 (4 hrs.)

Field Botany Biol 311 (4 hrs.)

Animal Ecology Biol 321 (4 hrs.)

Land Resources Biol/Geol/Geog 301 (4 hrs.)

Molecular Tools for Field Biologist Biol 360 (4 hrs)

Research Methods I Biol/EnvSt/Geol/Geog 490 (1 hrs)

SUMMER SESSION II -- GREAT LAKES

Lake Ecology and Management Biol 302 (4 hrs.)

Restoration Ecology Biol 482 (4 hrs.)

Environmental Applications for GIS Biol/Env/Geog 362 (4 hrs)

Environmental Chemistry Chem 332 (4 hrs.)

Watersheds in Global Development 355 (4 hrs.)

Wildlife Ecology Biol 345 (4 hrs)

Research Methods II Biol/Chem/EnvSt/Geog 491 (1 hr.)

AU SABLE - PACIFIC RIM

Environmental Health Biol 452 (4 hrs.)

Ecological Agriculture BiolMarine Biology Biol 318 (4 hrs)

Marine Biology Biol 318 (4 hrs)

International Development and Environmental Sustainability Biol/Geog 304 (4 hrs)

Marine Mammals Biol 359 (4 hrs.)

Alpine Ecology Biol 478 (4 hrs.)

BASIC SKILLS COMPETENCY REQUIREMENTS

A candidate (including a transfer student) who fails to establish competency through ACT scores in the areas of math and English or who is admitted on academic restriction or probation may be required to establish competency by taking the required developmental or basic skills courses. For more information on the requirements, see the [Developmental Education & Basic Skills](#) section of the Catalog.

BEHAVIORAL SCIENCE BS

Requirements

General Education — 48 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Exception: PSY 2010 or SOC 2010 counts as Behavioral Choice in Human Sciences Tier.

Major — 31-33 hours

Core Requirements — 19-21 hours

SOC 2010	General Sociology	3
PSY 2010	General Psychology	3
PSY 2060	Behavioral Science Statistics	3
	or	
SOC 2300	Social Science Statistics	3
PSY 3000	Behavioral Science Research Methods	3
	or	
SOC 3000	Social Science Research Methods and Design	3
PSY 3120	Social Psychology	3
SOC 3200	Social Problems	3

PSY 4600	Senior Seminar: Historical and Current Perspectives	3
	or	
SOC 4360	Senior Seminar in Sociology	1

PSY 2060, SOC 2300, PSY 3000, and SOC 3000: Students should choose PSY 2060 and PSY 3000 or SOC 2300 and SOC 3000.

Electives from Sociology, Psychology or Anthropology (with advisor approval) — 12 hours

Minor (student's choice) — 18-21 hours

General Electives — 18-23 hours

Total Credit Hours: 120

BIOLOGY BS

Requirements

General Education — 42 or 43 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Exceptions: The Laboratory Science and Mathematics components of the General Education curriculum are fulfilled by required major and support courses. Issues in Science is waived in lieu of upper division biology courses.

Major — 37-38 hours

BIO 1510	General Biology I	4
BIO 1520	General Biology II	4
BIO 2100	Principles of Cell Biology	3
	or	
BIO 3520/CHE 3520	Biochemistry II	4
BIO 2820	Microbiology	4
BIO 3040	Ecology	4
BIO 3720	Genetics	4
BIO 3730	Molecular Biology	4
BIO 4335/CHE 4335/PHY 4335	Seminar in Biology	1
	Biology Electives	9

Required Support Courses — 31 hours

CHE 1040	General Chemistry I	4
-------------	---------------------	---

CHE 1050	General Chemistry II	4
CHE 2010	Organic Chemistry I	4
CHE 2020	Organic Chemistry II	4
MAT 1510	Calculus I	4
MAT 1350	Statistical Analysis for the Sciences	3
SCI 1050	Science Philosophy and Practice	1
SCI 2150	Introduction to Computer Technology for the Sciences	3
PHY 2110	General Physics I	4

Chemistry Minor

	Chemistry Courses	20
	To complete chemistry minor in addition to required chemistry courses	4
	General Electives	7

Chemistry Courses: 16 of the 20 hours will be completed as a part of the biology major requirements (support courses)

Minor Other than Chemistry — 15 -20 hours

Total Credit Hours: 120-122

BIOLOGY EDUCATION BS (7-12)

This program is designed to prepare a teacher candidate for a career as a biology teacher in grades 7-12. Field experiences include observation and participation in grades 7-12 learning environments. Lesson planning and classroom management are included in courses and field experiences. A semester-long clinical practice (student teaching) experience is the culminating requirement of the biology education major.

Mission Statement

The biology education major seeks to prepare teacher candidates who have a broad-based understanding of biology including experimental and analytical laboratory technique that will prepare them to be effective teachers of life science/biology (grades 7-12).

Student Learning Outcomes

Teacher candidates with a Biology Education major will be able to:

1. Demonstrate their knowledge of biological principles;
2. Apply knowledge and skills in experimental and analytical techniques, including health and safety precautions for lab procedures;
3. Clearly communicate scientific information;
4. Apply analytical and critical thinking skills to solve biological and ecological problems and to promote lifelong learning;
5. Evaluate ethical implications of biomedical technology so that informed decisions can be made in light of Christian beliefs and values; and
6. Perform effectively as a life science/biology teacher in middle/high school (grades 7-12).

Requirements

FE Includes a Field Experience

Proof of Professional Liability (\$1 million) required annually

General Education Core — 65 hours

BUS 2010	Financial Stewardship	2
COM 1010	Speech Communication	3
ENG 1020	English Composition	3
ENG 1080	Critical Reading, Writing, and Thinking	3
ENG 2000	World Literature	3

ENG 3150	English Acquisition (FE-10)	3
HIS 1400	World Civilization I	3
	or	
HIS 1450	World Civilization II	3
HPE 1500	Introduction to Health and Wellness	2
INT 1100	Life Calling and Purpose	3
MAT 1510	Calculus I	4
MUS 1500	Fine Arts	3
PHL 2010	Introduction to Philosophy	3
	or	
PHL 3070	Ethics	3
PSY 2010	General Psychology	3
PSY 2500	Human Growth and Cognition	3
PSY 3411	Introduction to the Exceptional Learner	3
REL 2000	Introduction to Biblical Faith	3
REL 3000	Christian Tradition	3
REL 4000	Christian Life and Ministry	3
SCI 2150	Introduction to Computer Technology for	3

	the Sciences	
SCI 2510	Earth and Space Science	3
SCI 2600	Issues in Science	3

INT 1100: Freshman leadership course requirement. Candidates entering with more than 24 hours are exempt.

Choose one of the following — 3 hours

SOC 2500	The Family in Society	3
SOC 3200	Social Problems	3
SOC 3300	Urban Sociology	3

Major — 33 hours

SCI 1050	Science Philosophy and Practice	1
BIO 1510	General Biology I	4
BIO 1520	General Biology II	4
BIO 2820	Microbiology	4
BIO 3040	Ecology	4
BIO 3720	Genetics	4
BIO 4335/CHE 4335/PHY 4335	Seminar in Biology	1
CHE 1040	General Chemistry I	4
CHE 2010	Organic Chemistry I	4
PHY 2110	General Physics I	4
	or	
PHY 1010	Basic College Physics I	4
	Certification in First Aid and CPR	0

Professional Secondary Core — 19 hours

EDU 1020	Becoming a Teacher (FE-30)	1
EDU 1500	Foundations of Education	2
EDU 2300	Secondary Curriculum and Instruction (FE-20)	3
EDU 2556	Effective Classroom Environments	2
EDU 3410	Educational Tests and Measurements	2
EDU 3510	Teaching Reading and Writing in the Content Areas (FE-20)	3
EDU 4230	Methods and Materials for Secondary Education (FE-30)	3
SOC 3270	Education in an Urban Culture (FE-10)	3

Professional Semester — 12 hours

EDU 4600	Student Teaching Seminar	3
EDU 4670	Enhanced Student Teaching Secondary School	1-9

Strongly Recommended Additional Courses

Courses

BIO 2010	Anatomy-Physiology I	4
	or	
BIO 2020	Anatomy-Physiology II	4
BIO 3730	Molecular Biology	4

Total Credit Hours: 129

BIOLOGY EDUCATION BS (7-12 LICENSURE)

See [Teacher Education Programs section](#) of the Catalog.

BUSINESS ADMINISTRATION BBA

Requirements

General Education Courses — 46-47 hours

Exceptions: ECO 2000 Macroeconomics is the Institutional Choice, and ECO 3070 Global Economy is the Intercultural Literacy choice. Both are counted in the major.

Foundations Tier — 16 hours

ENG 1020	English Composition	3
ENG 1080	Critical Reading, Writing, and Thinking	3
COM 1010	Speech Communication	3
MAT 1080	Problem Solving: A Quantitative Reasoning Approach	3
BUS 2010	Financial Stewardship	2
HPE 1500	Introduction to Health and Wellness	2

Human Sciences Tier — 3 hours

Behavioral (Choose One) — 3 hours

COM 2010	Interpersonal Communication	3
PSY 2010	General Psychology	3
SOC 2010	General Sociology	3

Community Development students must choose SOC 2010

Natural Sciences Tier — 6-7 hours

Lab Sciences (Choose One) — 3-4 hours

BIO 1510	General Biology I	4
CHE 1010	Principles of Inorganic and Organic Chemistry	4
CHE 1040	General Chemistry I	4

CHRISTIAN MINISTRY BA

Trevecca's Bachelor of Arts in Christian Ministry is offered in two ways:

1. As an accelerated adult studies online program, and
2. An adult degree-completion program designed to meet the specific needs of Salvation Army Southern Territory personnel.

Christian Ministry Online (CMO) is a totally online program providing adult students the opportunity to complete a college degree in a schedule and format particularly designed to meet their unique needs. The curriculum's major emphasis is to prepare persons for various areas of Christian service. The program is for those students who have at least 40 semester hours of college credit.

Please call (615) 248-1529 or (844) TNU-GRAD for further information or access the website: www.trevecca.edu/cmo

The Christian Ministry Program (CMP) is a cooperative degree-completion program conducted for and with the Salvation Army Southern Territory. This program seeks to encourage life-long learning by providing the Southern Territory with educational support for its officers, soldiers, employees, and volunteers. Enrollment in the Christian Ministry Program is exclusively for Salvation Army personnel.

Please call (615) 248-7766 for further information or access the website: www.trevecca.edu/cmp.

The major emphasis of the Bachelor of Arts in Christian Ministry's curriculum is to prepare persons for various areas of Christian service by developing:

- a holistic mindset,
- a missional vision,
- servant-leadership skills, and
- ministry competence.

Special attention is given to helping individuals adapt their study to their personal calling and where it fits into the world where ministry takes place. Faculty members are well-equipped and eager to help develop strong competencies for ministry success and for making positive contribution in their profession and to society. Course content is focused on practical application to the everyday life and occupation of the student. The program assumes that adult students possess experience and skills which may earn academic credit.

The Student Learning Outcomes for the Christian Ministry degree are to enable the student to:

1. Construct a personal philosophy for ministry that is consistent with Scripture and recognized leadership principles;
2. Apply practical principles and strategies for effective ministry;
3. Value the need for theological reflection as an aspect of ministry;
4. Recognize pastoral care that effectively ministers to the body of Christ;
5. Construct culturally relevant worship as a celebration of faith;
6. Interpret the disciplines of the Christian faith for personal and ministerial growth;
7. Define the meaning and significance of Biblical authority for theological reflection and Christian practice; and
8. Identify and frame key elements of intellectual thought for ministry.

Admission to the academic program in Christian Ministry requires completing an application and meeting specific admission requirements described in the program catalog supplement.

Completion of the degree requires (1) 120 semester hours of credit, including 30 hours of required general education course work and a 30-hour major in Christian Ministry, and (2) a cumulative GPA of 2.0 or higher on a 4.0 scale in total work attempted while registered in the program. No program course grade below C- (1.7) will count toward the major.

COMMUNICATION STUDIES BA OR BS

This program provides a broad-based study of human communication. The course of study is designed by the student with the advisor's consent. Students whose programs consist primarily of dramatic arts and public speaking courses will be awarded the Bachelor of Arts degree. Those students who concentrate in interpersonal, organizational, mass media, and journalism course work will be awarded the Bachelor of Science degree.

Requirements

General Education — 51 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Major — 34 hours*

COM 3010	Theories of Communication	3
COM 4000	Advanced Public Speaking	3
COM 4510	Career Internship in Communication Studies	1-3
COM 4550	Research Methods in Communication Studies	3

----------	---------------------------------	---

Minor (Student's Choice) — 15-18 hours

General Electives — 9-13 hours

Total Credit Hours: 120

Co-Curricular Requirements for Dramatic Arts Majors and Minors

The Trevecca Department of Communication Studies supports and directs a required co-curricular program for all dramatic arts majors and minors to supplement classroom theory, to encourage students to receive practical training through participation, and to benefit the University and surrounding communities.

The Trevecca Dramatic Arts Program presents 3-4 major dramatic productions during the academic year. Students majoring and minoring in dramatic arts must participate in 20 hours of some aspect of each production for 6 semesters at Trevecca. The semesters during which participation occurs do not need to be consecutive. Participation is open to all members of the University and local community. Likewise, dramatic arts majors and minors must attend all senior project presentations each year.

Senior Project Requirements for Dramatic Arts Majors

All senior Dramatic Arts majors are required (either in the fall or spring semester by choice) to present a performance project which will be open to the general public. Projects must include a pre-production prospectus, a performance component (acting, directing, design, etc.). The project should relate to the student's specialized interest in the field, demonstrate his or her acquired skills, and be academically and vocationally beneficial as a culminative experience. (All dramatic arts majors and minors are required to attend the projects of seniors.) Seniors will receive two (2) credits for the senior project.

EARLY CHILDHOOD EDUCATION PREK-3 LICENSURE (POST BACCALAUREATE)

Requirements

Professional Course Requirements — 25 hours

Electives — 0-14 hours

Total Credit Hours: 120

FRESHMAN LEADERSHIP COURSE REQUIREMENT

All first-time freshmen (those enrolling with less than 24 hours) who are younger than 24 years of age are required to enroll in this course that will introduce them to Trevecca Nazarene University. The course curriculum is designed to empower students to make a successful transition from high school to college and discover their unique calling and purpose.

Requirements

Course

INT 1100	Life Calling and Purpose	3
----------	--------------------------	---

GENERAL EDUCATION CURRICULUM

All candidates must meet the following General Education requirements which should be taken during the freshman and sophomore years but, for bachelor's degree candidates, no later than the junior year, with the exception of REL 4000.

Please note that some General Education requirements may vary for a significant number of majors. Students should consult the major program listings in the Catalog and an advisor for the program to ensure accurate registration for General Education courses.

Requirements: Bachelor's Level — 51-54 hours

Foundations Tier — 18-20 hours

ENG 1020	English Composition	3
ENG 1080	Critical Reading, Writing, and Thinking	3
COM 1010	Speech Communication	3
BUS 2010	Financial Stewardship	2

GENERAL SCIENCE BS

Requirements

General Education — 45 or 46 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Exceptions: The Laboratory Science and Mathematics components of the General Education curriculum are fulfilled by required major and support courses.

Major — 33 hours

	Biology	8
	Chemistry	8
	Physics	8
	Science Electives (must be 3000/4000 level courses)	8

Choose one of the following — 1 hour

BIO 4335/CHE 4335/PHY 4335	Seminar in Biology	1
CHE 4335/BIO 4335/PHY 4335	Seminar in Chemistry	1
PHY 4335/BIO 4335/CHE 4335	Seminar in Physics	1

Required Support Courses — 10 - 11 hours

SCI 1050	Science Philosophy and Practice	1
SCI 2150	Introduction to Computer Technology for the Sciences	3

MAT 1310	Precalculus	3
	or	
MAT 1510	Calculus I	4
MAT 1350	Statistical Analysis for the Sciences	3

Minor — 15-20 hours

General Electives — 10-17 hours

Total Credit Hours: 120

GENERAL STUDIES AA

The Associate of Arts in General Studies is a two-year program designed for the student who does not desire to concentrate in one major field of study. The program provides the student with a general exposure to the major fields of knowledge with 39-40 hours of required courses and 20-21 hours elective courses selected with the guidance of an advisor. This degree is for students who complete their college work at this level and is not awarded to those who plan a four-year degree.

General Education Student Learning Outcomes for General Studies AA:

1. Students will demonstrate competency in oral and written communication exhibiting an awareness of content, purpose, and audience while accurately using Standard English.
2. Students will articulate the foundational themes of the Holy Bible as well as the intellectual strategies for further study of the scripture.
3. Students will articulate the parameters of Wesleyan-Holiness tradition, doctrinal and moral convictions of the Church of the Nazarene and the connection with intellectual, emotional, spiritual, and physical life, individually and collectively.
4. Students will demonstrate an understanding of global civilization, human behavior, and religion through historical, literary, and aesthetic records.
5. Students will demonstrate an understanding and practice of various intellectual modes of thinking.
6. Students will integrate the fundamental doctrinal/moral tenets of the Christian faith with the basic liberal arts and academic major, forming students for Christian leadership and service in the global community.
7. Students will demonstrate an understanding of cultural diversity with a capacity to positively engage others.

Requirements

Total General Education Required — 39 or 40 hours

ENG 1020	English Composition	3
ENG 1080	Critical Reading, Writing, and Thinking	3
COM 1010	Speech Communication	3

GULF COAST RESEARCH LABORATORY - MARINE BIOLOGY AND ECOLOGY COURSES

Trevecca has an affiliation with the Gulf Coast Research Laboratory (GCRL) in Ocean Springs, Mississippi, which is the Department of Coastal Sciences, University of Southern Mississippi. The following courses may be taken during the summer at GCRL and the credits transferred to Trevecca from the University of Southern Mississippi. These courses can then be used to fulfill the 9-hour biology elective requirements of a biology major or a biology minor. The courses listed below are offered each summer. Consult the Coast Research Laboratory summer catalog at www.usm.edu/gcrl for a complete schedule of courses and additional information. Students should process the application for transient work through Trevecca's Records Office prior to the summer term. Application Deadline is February 27, 2016.

May 11-23

- Barrier Island Ecology (3)
- Coastal Herpetology (3)
- Coastal Ornithology (3)
- Dolphin and Whale Behavior (3)
- Marine Botany (3)

May 26-June 23

- Marine Biology (5)
- Marine Embryology (5)
- Marine Fisheries Management (5)
- Marine Invertebrate Zoology (6)
- Oceanography (6)
- Shark Biology (6)

June 25-July 24

- Marine Aquaculture (6)
- Marine Biology (5)
- Marine Ichthyology (6)
- Marine Mammals (5)
- Parasites of Marine Animals (5)
- Shark and Stingray Physiology (5)

SPRING MINI-SESSION

Jan 2-13

- Coastal Marine Geology (3)
- Coastal Ornithology (3)
- Woody Plants of the Gulf Coast (3)

HISTORY AND POLITICAL SCIENCE BA

Requirements

General Education — 51 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Exception: HIS 1400 or HIS 1450, whichever is not taken in Contexts Tier, must be taken as Institutional Choice in Human Sciences Tier.

Major — 34 hours

Core Requirements — 16 hours

HIS 2010	United States History Survey I	3
HIS 2020	United States History Survey II	3
HIS 4200	Historical Research	3
HIS 4700	Senior Seminar	1

Total Credit Hours: 120-121

INTERCULTURAL STUDIES BA

The degree in Intercultural Studies is designed for students preparing for cross-cultural Christian ministry in situations, both domestic and global, in which knowledge of intercultural dynamics is essential and in which a marketable skill will allow for cultural engagement, creative access, or bi-vocational support. The major will be supplemented by a minor in English Language Learner, Information Technology, Entrepreneurship and Small Business Management, or Social Work.

Requirements

General Education — 43 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Variations for General Education for Intercultural Studies Majors

- REL 3000 will be waived in lieu of THE 4140 and THE 4150.
- Two courses in intercultural studies (Strategies of Cultural Immersion and Anthropology and Ethnographic Research) meet the Intercultural Literacy requirement.
- Two courses in church history meet the Institutional Requirement.
- Intercultural Studies majors will take REL 4100 designated for majors in the School of Theology and Christian Ministry instead of REL 4000.

Major — 59 hours

PRA 1010	Perspectives in Christian Ministry	1
PRA 3010	The Mission of the People of God	3
ICS 3200	Strategies of Cultural Immersion	3
ICS 3100	History and Ideology of Intercultural Witness	3
ICS 4000	Field Education in Intercultural Studies	1-3
ICS 4300	Intercultural Administration and Leadership Development	2
ICS 4400	Anthropology and Ethnographic Research	3
BIB 2990	Introduction to Biblical Exegesis	3
	Upper Division Bible courses (one Old Testament and one New Testament)	6
THE 4140	Systematic Theology I	3

THE 4150	Systematic Theology II	2
THE 4210	Christian Theology of World Religions	2
THE 4270	Old Testament Theology	3
THE 4280	New Testament Theology	3
THE 4090	Theology of Holiness	3
CHI 3040	History of the Ancient and Medieval Church	3
CHI 3060	History and Polity of the Church of the Nazarene	3
PRA 3115	Preaching and the Worship of the Church	2
CED 3080	The Educational Ministry of the Church	3
PRA 3310	Pastoral Care and Counseling	2
REL 4100	The Life of the Christian Minister	3

Minor — 18 hours

(Required departmental minor in Information Technology, Entrepreneurship and Small Business Management, or Social Work unless an alternative to these is approved in consultation with the advisor.)

Total Credit Hours: 120

Choose one of the following two options:

Pure Mathematics Concentration (Option 1) — 15 hours

MAT 4030	Introduction to Real Analysis	3
MAT	Modern Algebra	3

4060

Choose three of the following — 9 hours

MAT 3000	Theory of Probability and Mathematical Statistics	3
MAT 3010	Discrete Methods	3
MAT 3050	Introduction to Operations Research	3
MAT 4080	Euclidean and Non-Euclidean Geometries	3
MAT 3020	Differential Equations	3
MAT 4110	Topics in Mathematics	1-4

Applied Mathematics Concentration (Option 2) — 15 hours

Choose one of the following — 3 hours

MAT 4030	Introduction to Real Analysis	3
MAT 4060	Modern Algebra	3

Choose four of the following — 12 hours

MAT 2550/PHY 2550	Mathematical Methods for Physical Science and Engineering	3
MAT 3000	Theory of Probability and Mathematical Statistics	3
MAT 3010	Discrete Methods	3
MAT 3050	Introduction to Operations Research	3
MAT 3020	Differential Equations	3
MAT 4110	Topics in Mathematics	1-4

Minor — 15-20 hours

Students choosing Option 2 are encouraged to minor in physics or chemistry.

General Electives — 12-18 hours

Total Credit Hours: 120

MATHEMATICS EDUCATION BS (7-12)

This program is designed to prepare a teacher candidate for a career as a mathematics teacher in grades 7-12. Field experiences include observation and participation in grades 7-12 learning environments. Lesson planning and classroom management are included in courses and field experiences. A semester-long clinical practice (student teaching) experience is the culminating requirement of the mathematics education major.

Mission Statement

The mathematics education major seeks to prepare teacher candidates who are competent in reasoning and problem solving skills that will enable them to be effective teachers in secondary school.

Student Learning Outcomes

Teacher candidates with a Mathematics Education major will be able to:

1. Demonstrate a broad-based knowledge of mathematics;
2. Understand and construct mathematical proofs and apply mathematical tools and critical thinking skills in problem solving;
3. Clearly communicate mathematical ideas; and
4. Perform effectively as a mathematics teacher in middle/high school (grades 7-12).

Requirements

FE Includes a Field Experience

Proof of Professional Liability (\$1 million) required annually

NON-LICENSURE MAJORS

A candidate who for any reason has not met all Praxis II testing requirements, competencies, and skills for teacher licensure but has been admitted to teacher education and met all other University graduation requirements may receive a BA or BS non-licensure degree in education. Any candidate who desires to graduate non-licensure must apply with the Director of Initial Licensure and change his/her major in the Office of Academic Records at least one semester prior to graduation.

Admission to the University does not constitute admission to the Teacher Education Program. Application for admission to the program should be submitted within three semesters of declaring an education major or in the first semester of study for transfer and post baccalaureate students. All transfer students must submit verification of acceptable ACT/SAT scores to the Office of the School of Education during the first semester at Trevecca. All post-baccalaureate students must submit verification of acceptable GPA.

Requirements for Admission to Teacher Education

1. Submit a completed Application for Admission to Teacher Education
2. Demonstrate competence (minimum grade of B- or S) in:
 - English (ENG 1020, ENG 1080),
 - Speech (COM 1010),
 - Foundations of Education (EDU 1500), and
 - Becoming a Teacher (EDU 1020).
3. Complete Writing on Demand activity with a score of 10 or better, with no 0's. If the score requirement is not met, the candidate will need to see Dr. Donna Gray at the Academic Services Center in the CLCS building and develop a plan to prepare candidate to retake the WOD.
4. Have a cumulative GPA of 3.0 or better.
5. Present passing scores on all three of the Core Academic Skills Tests as mandated by the State of Tennessee or an ACT Composite score of 24 or SAT combined verbal and mathematics score of 1140.
6. Submit 3 recommendations from TNU professors.
7. Pass Teacher Education Interview (score must reflect a score of 18 or better).
8. Complete a background check before participating in any classroom observations/experiences.
9. Exhibit responsible personal and professional behaviors which are evidenced by classroom teachers, such as accountability, commitment, initiative, good judgment, professional growth, and professionalism.
0. Have proof of a minimum of \$1 million professional liability insurance to be renewed annually.

Specific requirements and procedures are described in the *Teacher Education Handbook*.

Due Process

Students who have questions concerning action taken by the Teacher Education Committee or Teacher Education faculty have the right to appeal through the established due process procedure. An appeal must be in writing and follow the protocol listed below. If a decision is not acceptable to the student at any point, the appeal must be made in writing within 15 days to the next level. All appeals originate with the Director of Initial Licensure.

- Director of Initial Licensure
- Dean of the School of Education
- Directors' Council

The decision of the Directors' Council is final.

NURSING PROGRAM - BSN

Trevecca Nazarene University is a member of the Partners in Nursing Consortium located on the campus of Belmont University in Nashville. Students in the Partners Program enroll at Trevecca Nazarene University where they complete general education and pre-nursing courses, participate in Belmont's Nursing Curriculum, and graduate from Trevecca Nazarene University with a Bachelor of Science in Nursing (BSN) degree.

Mission Statement

The purpose of the Partners in Nursing Consortium is to prepare professional nurses for practice and service in a variety of health care settings. The student's education in the liberal arts, sciences, and nursing will enable the graduate to contribute to improving the quality of life for self, clients, and community. Students completing the program of studies are prepared to continue life-long learning, including graduate studies.

The goals of the Partners in Nursing Consortium are to:

- Educate and graduate significant numbers of students in the Bachelor of Science in Nursing (BSN), and
- Assist Trevecca in meeting their own institutional goals and serving their constituents

Student Learning Outcomes

Successful completion of the objectives/competencies of the Trevecca Nazarene University undergraduate program in nursing requires the students to:

1. Incorporate knowledge from the arts, humanities, natural, and social sciences in nursing practice.
2. Demonstrate competency in applying problem-solving methods and a professional ethic of relationship-centered care in the nursing management of wellness and disease states across the lifespan.
3. Utilize effective communication and information technology to enhance nursing practice.
4. Incorporate multiple determinants of health in providing nursing care related to health promotion, illness prevention, health restoration, and rehabilitation.
5. Provide culturally sensitive health care for diverse populations in a variety of health care settings.
6. Demonstrate ability to provide relationship-centered care while providing stewardship of human and material resources.
7. Provide professional nursing care management of wellness and disease states across practice environments.
8. Collaborate with members of the interdisciplinary health care team to improve the delivery of health care to individuals, families, groups, and communities.
9. Critique and use nursing research findings for applicability to nursing practice
10. Use leadership and management skills to improve health care outcomes of individuals and populations in a variety of settings.
11. Demonstrate evidence of a commitment to lifelong learning in professional practice and personal development.

Admission to the Nursing Program

Admission to the University does not constitute admission to the Nursing Program. Program admission is competitive and is limited to 16-24 students entering the program in the fall semester of each academic year. Application for admission to the program should be submitted during the student's first year of enrollment at Trevecca. After beginning the program, students will proceed through the established program of study as full-time students in a cohort group.

Freshmen must complete two (2) semesters, and transfers must complete one (1) semester as a full-time student at Trevecca to be eligible for entry into the University's Nursing Program, including completion of all courses required in the program's program of study for the "freshman year." Students accepted into the nursing program must have a valid social security number by their sophomore year.

Applicants for the nursing program must have an ACT of 22 and maintain a GPA of 2.75 during the first two semesters of the program of study. Entry into the program will be contingent upon a GPA of 2.75 at the end of the second semester.

1. Formal application submitted to the program selection committee during the second semester of the program of study.
2. Interview with the selection committee.
3. Completion of all requirements for the nursing courses offered through the Partners in Nursing Consortium at Belmont University (immunizations, criminal background check, etc.).

Note: Persons who have been convicted of a crime, other than a minor traffic violation, can be ineligible for registered nurse licensure in the state of Tennessee even though they successfully complete the program.

Progression Requirements

1. In order to continue in the Nursing Program, the student must be registered as a full-time student each semester at Trevecca. Nursing courses taken through the Partners in Nursing Consortium at Belmont University must be taken in the sequence as outlined in the program of study.*
2. In addition to meeting the general university requirements, nursing students must achieve a minimum grade of "C" (2.0) in each required support course. Once admitted, the student must maintain a "C" (2.0) average each semester in order to continue in the nursing program.
3. If a student earns less than the minimum grade of "C" (2.0) in any required support course, progression is not possible until the support course is successfully completed with a grade of "C" (2.0) or better.
4. Only non-nursing support courses may be repeated once to achieve the minimum grade of "C". Repeated coursework must be taken at Trevecca Nazarene University.
5. A student who fails one nursing course with a grade of D or F may repeat the failed course the following semester. A student may not enroll in additional nursing courses while repeating the failed course.
6. A student who fails either one nursing course twice or two nursing courses with a grade of D or F will be dismissed from the nursing program.
7. Students who are dismissed from the nursing program may choose to reapply and must initiate the reapplication process by notifying Belmont University School of Nursing in writing prior to December 31, May 31, or August 15 depending on the semester in which they wish to reenroll. The student will then be notified of the time and date of the Readmission Committee (RAC) meeting and will be asked to provide a written document outlining their desire for readmission and their plan for academic success in future courses.
8. All requirements for an "I" in prerequisite and/or nursing courses must be completed before a student can progress to the next semester.
9. Any nursing major who demonstrates behavior inconsistent with the Code of Conduct in the Trevecca Student Handbook, the Belmont Student Handbook, or professional nursing is subject to immediate dismissal from the nursing program.
10. Completion of all progression requirements for the Partners in Nursing Consortium at Belmont University.

**The financial arrangements between Trevecca and the Belmont University for students enrolled in the Partners in Nursing Consortium are only for nursing courses listed in the Trevecca Nursing Program course of study and included in the Trevecca University Catalog.*

Graduation Requirements

In addition to meeting the general University requirements for graduation, students must complete specific courses and

clinicals in the nursing program of study and must pass a comprehensive examination in nursing during their last semester of the nursing curriculum.

Graduation requirements for the student in Trevecca Nazarene University's BSN program will be completion of 67 hours in the general and liberal arts curriculum requirements at Trevecca and 64 hours in the nursing major at Belmont University for a total of 131 semester hours.

ORGANIZATIONAL COMMUNICATION BS

The purpose of the Organizational Communication major is to study the role of messages, meanings, and information flow in and between organizations. Students majoring in Organizational Communication will consider both the theoretical and applied analyses of the role of communication in the functioning of complex organizations. The major encourages students to develop skills in oral, written, and relational communication, along with critical thinking and problem-solving skills. Through class work and internship opportunities, students sharpen their communication skills and prepare for employment in corporations and non-profit organizations.

Requirements

Required Support Courses — 23 hours

SCI 1050	Science Philosophy and Practice	1
SCI 2150	Introduction to Computer Technology for the Sciences	3
MAT 1510	Calculus I	4
MAT 1520	Calculus II	4
MAT 2510	Calculus III	4
MAT 2550/PHY 2550	Mathematical Methods for Physical Science and Engineering	3
CHE 1040	General Chemistry I	4

Mathematics Minor — 18 hours

15 of the 18 hours will be completed as part of the support course requirements.

Additional Minor and/or General Electives — 15-20 hours

Total Credit Hours: 121-126

MAT 3020 Differential Equations (3) and MAT 3090 Linear and Matrix Algebra (3) are recommended support courses but not required.

PHYSICS EDUCATION BS (7-12)

This program is designed to prepare a teacher candidate for a career as a physics teacher in grades 7-12. Field experiences include observation and participation in grades 7-12 learning environments. Lesson planning and classroom management are included in courses and field experiences. A semester-long clinical practice (student teaching) is the culminating requirement of the physics education major.

Mission Statement

The physics education major seeks to prepare teacher candidates who have broad-based understanding of physics, including experimental and analytical techniques that will prepare them to be effective teachers of physical science/physics (grades 7-12).

Student Learning Outcomes

Teacher candidates with a Physics Education major will be able to:

1. Demonstrate broad-based understanding of physical concepts and principles;
2. Apply knowledge and skills in experimental and analytical techniques, including health and safety precautions for the laboratory;
3. Apply analytical and critical thinking skills to problems related to physics and to promote lifelong learning;
4. Clearly communicate scientific information; and
5. Perform effectively as a physical science/physics teacher in middle/high school (grades 7-12).

Requirements

FE Includes a Field Experience

Proof of Professional Liability (\$1 million) required annually

General Education Core — 62 hours

BUS 2010	Financial Stewardship	2

Praise and Worship two-year certificate courses — 48 hours

See the [Praise and Worship Certificate section](#) for a list of the required courses.

Total Credit Hours: 72-73

PRAISE AND WORSHIP CERTIFICATE

First Year Certificate

Session I — 6 hours

NPW 2200	Essentials of Vocal Production	1
NPW 2100	Music Theory I/Aural Theory I	1
NPW 2510	Praise and Worship Choir I	1
NPW 2530	Applied Instrumental/Vocal Instruction I	1
NPW 2710	Worship Band Practicum I	1
NPW 2040	Spiritual Formation I	1

Session II — 6 hours

NPW 2450	Foundations of Music Industry	1
NPW 2410	Worship Ministry Leadership I	1
NPW 2430	Notation and Recording Technology	1
NPW 2105	Music Theory II/Aural Theory II	1
NPW 4600	Live Sound Internship	1
NPW 2050	Worship in the Bible	1

Session III — 6 hours

NPW	Conducting I (choral emphasis)	1
-----	--------------------------------	---

2210		
NPW 2535	Applied Instrumental/Vocal Instruction II	1
NPW 2715	Worship Band Practicum II	1
NPW 2320	Songwriting I	1
NPW 2055	Worship in the Christian Church	1
NPW 2515	Praise and Worship Choir II	1

Session IV — 6 hours

NPW 2440	Principles of Sound, Recording, and Related Technology I	1
NPW 2330	Songwriting II	1
NPW 3220	Band Arranging	1
NPW 3070	Theological Lyric Writing and Lyric Analysis I	1
NPW 2110	Music Theory III/Aural Theory III	1
NPW 2850	Worship Pastor Internship I	1

Second Year Certificate

Session V — 6 hours

NPW 4010	Concentrated Study of the Psalms	1
NPW 2550	Praise and Worship Choir III	1
NPW 3320	Songwriting III	1
NPW 2720	Worship Band Practicum III	1

NPW 2540	Applied Instrumental/Vocal Instruction III	1
NPW 2115	Jazz and Pop Theory	1

Session VI — 6 hours

NPW 3210	Conducting II (orchestral emphasis)	1
NPW 3330	Songwriting IV	1
NPW 3075	Theological Lyric Writing and Lyric Analysis II	1
NPW 3410	The Art of Platform Presentation	1
NPW 3440	Principles of Sound, Recording, and Related Technology II	1
NPW 3230	Orchestration	1

Session VII — 6 hours

NPW 2420	Worship Ministry Leadership II	1
NPW 4020	Biblical Foundations for Ministry I	1
NPW 3445	Foundations of Music Publishing	1
NPW 2725	Worship Band Practicum IV	1
NPW 4830	Mission Experience I	1
NPW 4420	Organizational Leadership	1

Session VIII — 6 hours

NPW 3415	The Art of Working In and Through Denominations	1
-------------	---	---

NPW 4025	Biblical Foundations for Ministry II	1
NPW 3040	Spiritual Formation II	1
NPW 2730	Worship Band Practicum V	1
NPW 4840	Mission Experience II	1
NPW 3430	Hymnology	1

*Required Proficiencies

NPW 3600	Keyboard Proficiency	0
NPW 3605	Guitar Proficiency	0

**Students completing the first-year certificate are required to complete one of the two required proficiencies. Students completing the two-year certificate are required to complete both required proficiencies.*

PRE-ENGINEERING FOR STUDENTS PLANNING TO TRANSFER TO A UNIVERSITY OTHER THAN VANDERBILT

Requirements

Students should choose electives according to requirements of the institution to which they plan to transfer for completion of their engineering degree. Usually this choice will mean carefully selecting courses from a variety of areas—e.g. social sciences, humanities, fine arts, etc.—to meet general education requirements. Each student should bring a copy of the institution's catalog to be used with the Trevecca advisor during registration counseling.

First Year Required — 33 hours

SCI 2150	Introduction to Computer Technology for the Sciences	3
MAT 1510	Calculus I	4
MAT 1520	Calculus II	4
PHY 2110	General Physics I	4
PHY 2120	General Physics II	4
PHY 2100	Object-Oriented Design and Programming in Java I	3
ENG 1020	English Composition	3
ENG 1080	Critical Reading, Writing, and Thinking	3
REL 2000	Introduction to Biblical Faith	3
	Electives	2

Second Year Required — 31 hours

MAT 2510	Calculus III	4
----------	--------------	---

CHE 1040	General Chemistry I	4
CHE 1050	General Chemistry II	4
REL 3000	Christian Tradition	3
MAT 2600	Introduction to Abstract Mathematics	3
	Electives	13

Total Credit Hours: 64

PRE-MEDICAL/PRE-DENTAL/PRE-VETERINARY/PRE-PHYSICIAN ASSISTANT/PRE-PHARMACY

Students typically major in either Biology or Chemistry with a minor in the other.

One year of General Physics is required. Individual counseling is given to each student as needed. Students are responsible for obtaining specific course requirements for the medical, dental, veterinary, physician assistant or pharmacy programs to which they are planning to apply.

PRE-NURSING FOR OTHER UNIVERSITIES

Students seeking admission to nursing programs at other universities must obtain a list of prerequisites from the nursing program to which he or she intends to make application.

PRE-PHYSICAL THERAPY

Physical Therapy is a health care profession whose practitioners work as members of a multidisciplinary group of health personnel to help people overcome the effects of disease and injury and to prevent potential problems. Physical therapists treat their patients in a variety of settings such as private offices, nursing homes, home health agencies, public and private schools, academic institutions, and hospices. Physical therapists also work as educators, researchers, and consultants in a wide variety of organizations.

Students seeking admission to the field of physical therapy through a program in the Department of Science and Mathematics will major in Biology or Chemistry and must obtain a list of pre-requisites from their graduate physical therapy program choice to fulfill during their bachelor's degree program.

PROFESSIONAL ACCOUNTANCY BBA

Requirements

General Education & BBA Core — 79-80 hours

See the [Business Administration BBA section](#) for more details.

Concentration — 63 hours

ACT 3110	Intermediate Accounting I	3
ACT 3120	Intermediate Accounting II	3
ACT 3130	Intermediate Accounting III	3

PSY 3505/SOC 3500	Marriage and Intimate Relationships	3

Minor — 18 hours

General Electives — 21 - 23 hours

Total Credit Hours: 120

QUALITY ENHANCEMENT PLAN (QEP)

Trevecca Nazarene University's Quality Enhancement Plan topic is undergraduate research. The goal of the QEP is to improve student learning by engaging students in undergraduate research. Trevecca defines "undergraduate research" broadly to include creative works in the arts and scholarly work in the humanities, as well as more traditional empirical research. Trevecca's undergraduate research program also emphasizes the role of faculty members as mentors to student researchers. One of the most distinctive qualities about Trevecca's undergraduate programs is the sense of community that exists between students and faculty. The undergraduate research program provides additional opportunities for students and faculty members to collaborate. Finally, Trevecca seeks to emphasize the process of acquiring research skills, not just the outcome or result of the research.

Student Learning Outcomes

Through the QEP, students will be able to:

1. Demonstrate understanding of scholarship topics in their discipline.
2. Demonstrate skills related to conducting scholarship in their discipline.
3. Communicate their research findings through written, performance, and/or oral presentations.

QEP Courses

Faculty-Led Academic Research Experiences (FLARE) (1-3)

Intensive participation as a team member in the completion of a scholarly research or creative project. A faculty member will lead each project and will mentor students throughout the project. Enrollment is limited; application is required, and students are selected by the faculty member leading the project.

RELIGION BA

As a professional major, the Religion Major will be supplemented by one of six required professional minors: Pastoral Ministry, Children's Ministry, Youth Ministry, Intercultural Studies, Compassionate Ministry, or Worship Ministry.

Requirements

General Education — 39 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Variations for General Education for Religion and Religious Studies Majors

PHL 2010 and REL 3000 will be waived in lieu of two upper division philosophy courses and THE 4140 and THE 4150 which are part of the core curriculum.

- Greek or Hebrew is required for Intercultural Literacy.
- Religion/Religious Studies majors are required to take either (1) two semesters of Hebrew (I and II) OR (2) two semesters of Greek (I and II) OR one semester of Hebrew and one semester of Greek (Hebrew I and Greek I).
- Two courses in church history meet the Institutional Requirement.
- For Behavioral Choice: PSY 2010 is required for professional minors in Pastoral, Youth, Worship Ministry and Children's Ministry; SOC 2010 for professional minors in Compassionate Ministry.
- Religion and Religious Studies majors will take REL 4100 designated for Religion and Religious Studies majors only instead of REL 4000.

Major — 50 hours

	Upper Division Bible (inc. BIB 2990, one OT course and one NT course)	12
THE 4210	Christian Theology of World Religions	2
PHL 3210	Philosophy for Theology I	3
PHL 3220	Philosophy for Theology II	3
CHI	Church History (inc. CHI 3040 and CHI 3060)	9
THE 4270	Old Testament Theology	3
THE 4280	New Testament Theology	3

THE 4140	Systematic Theology I	3
THE 4150	Systematic Theology II	2
THE 4090	Theology of Holiness	3
	Biblical Language	6

Church History: Students not seeking ordination in the Church of the Nazarene may substitute CHI 3130 History and Polity of American Denominations for CHI 3060.

Total Credit Hours: 120-123

RELIGIOUS STUDIES BA

While the Religious Studies major does not meet all of the educational requirements for ordination in the Church of the Nazarene, it does provide the core of biblical, theological and historical courses required. The Religious Studies major requires a second major in a field outside the Millard Reed School of Theology and Christian Ministry. A student who transfers to the Millard Reed School of Theology and Christian Ministry with 60 hours of academic credit or more, either from within the University or from outside the University, may petition the Millard Reed School of Theology and Christian Ministry for an exception to the second major requirement.

Requirements

General Education — 39 hours

See the [Religion BA](#) for variations in General Education requirements for Religion majors, and see the [General Education Curriculum Section](#) for the complete list of courses.

Major — 50 hours

	Upper Division Bible (inc. BIB 2990, one OT course and one NT course)	12
CHI	Church History (inc. CHI 3040 and CHI 3060)	9
THE 4210	Christian Theology of World Religions	2

PHL 3210	Philosophy for Theology I	3
PHL 3220	Philosophy for Theology II	3
		6

Church History: Students not seeking ordination in the Church of the Nazarene may substitute CHI 3130 History and Polity of American Denominations for CHI 3060.

Second Major and General Electives — 31+ hours

Total Credit Hours: 120

(Total depends on hours required in second major)

RELIGIOUS STUDIES MA

The Millard Reed School of Theology and Christian Ministry offers a Graduate Studies in Religion Program in order to provide advanced and specialized study in religious studies beyond the baccalaureate degree with the intent to strengthen the academic and professional competence of the student as well as provide personal enrichment for those desiring to pursue in-depth religious studies. Concentrations are offered in Biblical and Theological Studies and Christian Ministry.

For specific information, see the [Graduate Catalog](#).

SECONDARY EDUCATION 7-12 LICENSURE (POST BACCALAUREATE)

Requirements

Professional Course Requirements — 19 hours

EDU 1020	Becoming a Teacher (FE-30)	1
EDU 1500	Foundations of Education	2
EDU 2300	Secondary Curriculum and Instruction (FE-20)	3
EDU 2556	Effective Classroom Environments	2
EDU 3410	Educational Tests and Measurements	2
EDU 3510	Teaching Reading and Writing in the Content Areas (FE-20)	3
EDU 4230	Methods and Materials for Secondary Education (FE-30)	3
PSY 3411	Introduction to the Exceptional Learner	3

Enhanced Student Teaching — 12 hours

EDU 4600	Student Teaching Seminar	3
EDU 4670	Enhanced Student Teaching Secondary School	1-9

EDU 4670: 9 hours required

Total Credit Hours: 31

SOCIAL JUSTICE BS

All majors will take the core hours and will select one of three professional minors which will count as the student's minor area of study.

Requirements

General Education — 52 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Variations for General Education for Social Justice Majors:

- Ethics (PHL 3070) as Philosophy
- Introduction to Environmental Science (SCI 2000) as Lab Science
- Principles of Macroeconomics (ECO 2000) or American Political Institutions (POL 2020) as Institutional Choice
- General Sociology (SOC 2010) as Behavioral Science

Core — 40 hours

SJS 2010	Introduction to Social Justice	3
BIB 3100	Biblical Theology of Social Justice	2
THE 3100	Theology, History, and Social Movements in Social Justice	2
SWK 2250	Introduction to Community Practice	3
SOC 3300	Urban Sociology	3
SOC 3350/COM 3350/SWK 3350	U.S. Cultural and Ethnic Diversity	3
SWK 4200	Working with Communities and Organizations	3
ICS 3070	Ministry of Compassion	3
SOC 2800	Introduction to Criminology and the Criminal Justice System	3
BUS 2300	Introduction to Entrepreneurship and Small Business Management	3
SOC 3000	Social Science Research Methods and Design	3

SJS 4000	Field Internship in Social Justice	2-6
SJS 4110	Senior Seminar in Social Justice I	3
SJS 4120	Senior Seminar in Social Justice II	3

SJS 4000: 3 credit hours required; 3 additional hours may be taken for elective credit

Social Justice BS Professional Minors

Public Policy Professional Minor — 15 hours

SWK 3500	Social Welfare Policy	3
POL 3040	State and Local Government	3
POL 3070	Law and Public Policy	3
ECO 3500	Economics of Poverty and Public Policy	3

Select ONE of the following — 3 hours

SJS 4010	Introduction to Social Entrepreneurship	3
ECO 3300	International Economic Development	3
SOC 3200	Social Problems	3
SJS 3010	Introduction to Community Development	3

Environmental Justice Professional Minor — 16 hours

BIO 2900	Urban Restoration Ecology	4
SJS 3020	Theology and Practice of Environmental Justice I	3
SJS 3025	Theology and Practice of Environmental Justice II	3
SJS 4200	The Theology and Readings in Environmental Justice	3

Select ONE of the following — 3 hours

SJS 3010	Introduction to Community Development	3
CED 3200	Church and Community	3

Nonprofit and Congregational Leadership Professional Minor — 18 hours

SWK 2200	Working with Individuals	3
CED 3200	Church and Community	3
SJS 3010	Introduction to Community Development	3
SJS 4020	Principles of Nonprofit Administration and Management	3
SJS 4010	Introduction to Social Entrepreneurship	3

Select ONE of the following — 3 hours

SWK 3200	Working with Groups	3
SOC 3370	Juvenile Delinquency	3

ECO 3300	International Economic Development	3
ECO 3500	Economics of Poverty and Public Policy	3

General Electives — 10-13 hours

Total Credit Hours: 120

SOCIAL WORK BSSW

Requirements

General Education — 54 hours

See the [General Education Curriculum Section](#) for the complete list of courses.

Exceptions: PSY 2010 General Psychology and SWK 1200 Introduction to Social Work required for major as General Education Human Science choices.

Major — 48 hours

SOC 2300	Social Science Statistics	3
PSY 2175	Human Growth and Development	3
SOC 3000	Social Science Research Methods and Design	3
SWK 2200	Working with Individuals	3
SWK 2250	Introduction to Community Practice	3
SWK 2300	Human Behavior and the Social Environment	3
SWK 3200	Working with Groups	3
SWK 3500	Social Welfare Policy	3
SWK 4200	Working with Communities and Organizations	3
SWK 4400	Senior Field Practicum	9
SWK 4450	Senior Seminar in Social Work	3
SOC 2010	General Sociology	3
SOC 3350/COM 3350/SWK 3350	U.S. Cultural and Ethnic Diversity	3
SOC 4200/SWK 4250	Advanced Family Relationships	3

Strongly Recommended:

SOC 3200	Social Problems	3
-------------	-----------------	---

Minor — 18 hours

General Electives — 0 hours

Total Credit Hours: 120

SOCIAL WORK PROGRAM*

Social Work Competencies (Student Learning Outcomes)

Graduates with a major in social work will be prepared for beginning generalist social work practice and graduate work. Upon graduation, a social work major is expected to achieve eleven (11) competencies. These competencies are based upon the professional core competencies from the Council on Social Work Education (CSWE) 2008 Educational Policies and Accreditation Standards (EPAS). These competencies are also based on knowledge that incorporates the uniqueness of geographical, regional, and institutional needs, as well as the uniqueness of Trevecca Nazarene University as a Christian university.

1. Students will demonstrate to faculty and field instructors an understanding of what a professional social worker is and how they conduct themselves.
2. Students will demonstrate an understanding of social work ethical principles in the classroom and field practicum by applying the NASW Code of Ethics.
3. Students will show they have an ability to use critical thinking in making professional judgments.
4. Students will engage in diversity and differences in practice through their field practicum settings.
5. Students will advance human rights and social and economic justice through social work practices.
6. Students will demonstrate an ability to produce and practice research-informed practice, and, with supervision, evaluate their interventions.
7. Students will understand the bio-psycho-social-spiritual variables that affect individual development and behavior and apply these frameworks to people in their environment during their field practicum.
8. Students will have an understanding of social policies, how they affect client systems, workers, and agencies and display an ability to use policy to advance the well-being of others through effective social work services.
9. Students will demonstrate to their field supervisors and social work faculty that they have the ability to respond to the contexts that shape social work practice.
10. Students will demonstrate to their field supervisors that they have the ability to engage, assess, intervene, and evaluate with individuals, families, groups, organizations, and communities.
11. Students will examine their personal beliefs, social work values, and Christian values and be able to develop integrated personal and professional value statements.

Admission Requirements

Requirements for formal admission to the social work program are as follows:

1. Identified potential and suitability for the social work profession as determined by the social work faculty. Indicators for suitability are **academic performance** including consistent class attendance and meeting deadlines, **relationship skills** including the ability to non-judgmentally relate to people with problems (ability to relate well to faculty and other students is taken into consideration for this), **emotional stability** by not allowing their own personal problems, psychosocial distress, legal problems, substance abuse, or mental health difficulties to interfere with their professional judgment and performance or to jeopardize the best interests of people for whom they have a professional responsibility (NASW Code 4.0.5a), and including the ability to progress toward the growth necessary for self-awareness for social work practice, and values consistent with the standards of the Social Work Program and the University.
2. Successful completion of 30 semester hours including SWK 1200, PSY 2175, SWK 2300, SOC 2010, PSY 2010, ENG 1080 (each with a C- or better). If a student has not completed all courses at the time of application, he or she can still apply, and then full admission will be considered upon completion of the

courses.

3. A minimum overall GPA of 2.2.
4. Agreement to abide by the Social Work Program policies as described in the social work student handbook and the NASW Code of Ethics.
5. Interview by a minimum of two social work faculty.
6. Be in “good standing” with the University as determined by the student development office.

Transfer Credits

Students who wish to transfer credits from other social work programs must meet the following criteria:

1. Transfer credits from a CSWE accredited program or, if from an unaccredited program, that student will be asked to present comprehensive course syllabi to his/her social work academic advisor. The advisor will initially determine if the course meets the criteria for a required course in Trevecca’s program based on whether it addresses the same competencies and practice behaviors. Senior Field Practicum and Senior Seminar credits are not allowed to be transferred into the Trevecca Program. Senior Field Practicum and Senior Seminar must both be taken at Trevecca through the Social Work Program. The student then completes the necessary substitution forms and brings those forms to the Program Director to be reviewed and signed before the student either takes them personally to Academic Records or they are sent by campus mail to Academic Records. It is ultimately the student’s responsibility to complete the process to petition for acceptance of credit for previous courses taken.
2. Have the approval of the Social Work Program Director.
3. Meet the transfer admission requirements of Trevecca.

Life Experience or Previous Work Experience

The program does not grant credit for social work courses for either life experience or previous work experience.

Procedures for Filing Application

To begin the formal admission process, the student obtains and completes an application obtained from the Social Work Program director’s office or the Program Handbook. The form is completed in consultation with the faculty advisor, and an application for admission is submitted to the program director’s office.

The application is to be completed when a student pre-registers during fall semester for SWK 2200 Working with Individuals, and all materials are due to the Social Work Program director’s office by the end of the fall semester.

Interviews with the Social Work Program faculty will be scheduled during the semester of SWK 2200, and the student will be notified of the results prior to the pre-registration period.

Specific requirements and procedures including due process are described in the social work program student handbook which is available from the program office.

Conditional Acceptance

When the student comes for their interview they will sit down in one of the Social Work Program faculty offices or the conference room to talk about their desire to be a social work major, their strengths, areas they might need to develop further, areas of interest in social work, and future goals. Immediate feedback is given to the student concerning any areas needing improvement and some suggestions for doing so. If a student is determined to have fallen below any of the criteria established for granting final acceptance into the program, a contingency plan will be established with the student. The plan can include:

1. Completing additional coursework if the GPA is too low.
2. Completing counseling to resolve personal issues that are interfering with the ability to effectively communicate and relate interpersonally with others.

3. Additional items based on student's needs.
4. Completing required courses for admission.

After the interview, the Program Director and the Field Director will meet together to discuss the interview, review the admission materials, discuss observations and recommendations, and make a decision regarding admission. Students will then be informed in writing, through campus mail or U.S. mail, of one of the following:

1. Full admission to the BSSW major
2. Provisional admission with the specific conditions identified in the letter to the student. Progress will be reviewed by the Program Director each semester until full admission is achieved. Students cannot be admitted to pursue Senior Field Practicum until full admission is achieved.
3. Denial of admission with specific reason identified in a letter to the student as per BSSW academic admission criteria.

If students are not satisfied with the decision, they may appeal the decision by first setting up a meeting with the BSSW Director either by email, phone, campus mail, or U.S. mail within two weeks of receipt of notification of their denial. A time to meet with the Program Director will be decided upon, preferably within two weeks. The reason for the appeal must be specified clearly in a typewritten letter submitted by email, campus mail, U.S. mail, or given to the Program Director in person at the meeting. The Program Director will make a decision and submit the decision to the student within two weeks after their meeting. After meeting with the Program Director and receiving notification of the Program Director's decision, if the student is not satisfied, then the student can appeal within two weeks of receiving the Program Director's decision, in writing by email or by hard copy sent through campus mail or U.S. mail to the Dean of the School of Arts and Sciences, stating clearly their reasons for the appeal. The Dean must respond within two weeks of their meeting and the Dean's decision is final.

Continuance in the social work program is not guaranteed. The student must maintain an acceptable level of performance according to community, academic, and professional social work standards. Reviews of student performance are held prior to Senior Field Practicum and prior to graduation, or other times as required by circumstances. Probationary status or dismissal may be assigned to a student not meeting program criteria.

Note

*The Social Work Program at Trevecca Nazarene University is fully accredited by the Council on Social Work Education (CSWE).

SPEECH COMMUNICATION EDUCATION BA (7-12)

This program is designed to prepare a teacher candidate for a career as a Speech teacher in grades 7-12. Field experiences include observation and participation in grades 7-12 learning environments. Lesson planning and classroom management are included in courses and field experiences. A semester-long clinical practice (student teaching) experience is the culminating requirement of the speech education major.

Mission Statement

The Speech Communication Education major seeks to provide graduates with a general, yet comprehensive, academic foundation in the study of human communication.

Student Learning Outcomes

Teacher candidates with a Speech Communication Education major will be able to:

1. Possess knowledge suitable for employment in a career requiring communication skills;
2. Identify a major theorist in the discipline of communication;
3. Demonstrate effective oral and written communication skills; and
4. Perform effectively as a teacher in middle/high school grades 7-12.

TEACHER EDUCATION

Teacher education collaborates with other departments on campus to offer an integrated program and provide the professional education component for teacher candidates. Candidates in teacher education have the option of completing degrees leading to licensure or degrees not leading to licensure.

Non-licensure degrees

- BS Studies in Education

Licensure

Baccalaureate Degrees (licensure) consist of a general education core, a major in the subject area, and a minor in the professional core. Field experiences and enhanced student teaching are required to complete the program.

- Biology Education (7-12)
- Business Education (7-12)
- Chemistry Education (7-12)
- English Education (7-12)
- History Education (7-12)
- Economics Education
- Government Education
- Interdisciplinary Studies Early Childhood Education (PreK-3)
- Interdisciplinary Studies Elementary Education (K-6)
- Mathematics Education (7-12)
- Music Education (K-12)
- Instrumental/General Education
- Vocal/General Education
- Physical Education Education (K-12)
- Health Education
- Physics Education (7-12)
- Special Education Modified (K-12)
- Speech Communication Education (7-12)
- Theatre Education (K-12)

Non-licensure: A candidate has an option of completing any of the baccalaureate degrees non-licensure with permission of the Director of Initial Licensure.

Licensure requirements continue to undergo revisions. Students must meet licensure requirements in effect at the time of their program completion.

Goals

The goals of Teacher Education are to assist the student in the preparation for becoming an effective classroom teacher by:

Knowing

- proffering a rigorous academic program of studies for each area of specialization;
- constructing opportunities for holistic development: cognitive, psychomotor, social, affective, and spiritual;
- maximizing educational experiences in preparation to better serve in a technological and global society;
- immersing classroom experiences in state-of-the-art technology and practical applications;

Doing

- encouraging the setting of high academic, pedagogic, and moral standards;
- affording opportunities for field experiences in multiple, diverse settings early in and throughout the four-year program;

Being

- designing opportunities to continue to develop Christian character and ideals;
- promoting opportunities for service to the community through being positive role models;
- establishing close interaction with faculty through small class sizes and low faculty/student ratios; and
- advocating ongoing professional growth.

Student Learning Outcomes

These student learning outcomes are the overarching outcomes for all teacher education programs.

Principle 1: *Learner Development.* The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences. (Knowing)

Principle 2: *Learning Differences.* The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards. (Knowing)

Principle 3: *Learning Environments.* The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self motivation. (Doing)

Principle 4: *Content Knowledge.* The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make the discipline accessible and meaningful for learners to assure mastery of the content. (Knowing)

Principle 5: *Application of Content.* The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues. (Knowing)

Principle 6: *Assessment.* The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher's and learner's decision making. (Doing)

Principle 7: *Planning for Instruction.* The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and community context. (Doing)

Principle 8: *Instructional Strategies.* The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways. (Doing)

Principle 9: *Professional Learning and Ethical Practice.* The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner. (Being)

Principle 10: *Leadership and Collaboration.* The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and

community members to ensure learner growth, and to advance the profession. (Being)

Principle 11: (Trevecca Specific) The professional Christian educator embraces ethical and moral values and is able to integrate Christian Faith and learning in practice. (Being)

THEATRE EDUCATION BA (K-12)

This program is designed to prepare a teacher candidate for a career as a theatre teacher in grades 7-12. Field experiences include observation and participation in grades 7-12 learning environments. Lesson planning and classroom management are included in courses and field experiences. A semester-long clinical practice (student teaching) experience is the culminating requirement of the theatre education major.

Mission Statement

The Theatre Education major seeks to prepare graduates with a broad understanding of theatre to succeed professionally in educational, community, and/or professional theatre venues and/or to succeed in graduate theatre programs.

Student Learning Outcomes

Teacher candidates with a Theatre Education major will be able to:

1. Perform effectively as a teacher in grades K-12;
2. Critically assess a theatre production's relative merits and weaknesses within the global contexts of artistic expression and spiritual significance;
3. Satisfy proficiently at least ONE of the basic collaborative roles for the production of a play that is at least one-act in length, or longer. The roles graduates may choose from are: director of the play, performer in a major character role of the play, author of the script, lighting designer of the play, scenic designer of the play, or costume designer of the play.

MUS 1610	Class Piano II	1
MUS 2600	Class Piano III	1
MUS 2620	Class Piano IV	1

MUS 1200: Students must successfully complete this requirement six times to graduate.

MUS 4780: Composition Lessons (Applied, 8 hours required); 2 hours in semester of Senior Recital

Class Piano I-IV: Average of B- or above required

Total Credit Hours: 121-126

TREVECCA NAZARENE UNIVERSITY/VANDERBILT UNIVERSITY PRE-ENGINEERING —ENGINEERING TRANSFER AGREEMENT

Students who wish to combine study in a pre-engineering curriculum with further study in an engineering discipline may do so under a transfer agreement between Trevecca Nazarene University and Vanderbilt University. Under this agreement, a student will spend the first three years of his or her college career at Trevecca Nazarene University taking the pre-engineering curriculum, followed by two years at Vanderbilt University studying in one of their engineering programs. The available engineering programs are Biomedical Engineering, Chemical Engineering, Civil Engineering, Computer Engineering, Computer Science, Electrical Engineering, and Mechanical Engineering. A student who completes this five-year course of study will have had the experience of dividing an academic career between the pre-engineering environment of a Christian liberal arts university and the engineering climate in a professional school.

During the first three years in the student's program, at least 99 hours of coursework in the Applied Physics major with required support courses will be completed. After successful completion of the pre-engineering requirements with a 3.5 or higher GPA, and upon recommendation by the faculty at Trevecca Nazarene University, the student will be qualified to transfer to Vanderbilt University for the completion of an engineering degree. After successful completion of one academic year of prescribed study in an engineering discipline at Vanderbilt, Trevecca will accept in transfer 09 hours of engineering coursework as electives for the 58 hours required in the major (major and required science and math supporting courses) and a total of 21 hours to be applied toward Trevecca's 120-hour graduation requirement. If the student subsequently continues with his/her study at Vanderbilt, and successfully meets all prescribed completion requirements for a Vanderbilt University engineering degree major, the student will be awarded the appropriate credential.

WORSHIP AND CHURCH MINISTRY BA

Requirements

General Education — 48-51 hours

Variations for General Education for Worship and Church Ministry Majors:

- Two courses in Church History meet the Institutional Requirement
- REL 3000 will be waived in lieu of THE 4140 and THE 4150
- REL 4100 Life of the Christian Minister will be taken in place of REL 4000
